Effective January 1, 2009, defines salary for purposes of the contributions. (c) This subsection applies after December 31, 2008. The state shall make a contribution to the defined contribution fund on behalf of each participant on June 30 of each year. (d) This subsection applies after December 31, 2008. The PERF board shall use the following rates in determining the percentage described in subsection (c):

(d) The state shall provide a group health insurance program to each retired employee:

- (1) who is a retired participant under the prosecuting attorneys retirement fund;
- (2) whose retirement date is after January 1, 1990;
- (3) who is at least sixty-two (62) years of age;

- (5) who has at least ten (10) years of service credit as a participant in the prosecuting attorneys retirement fund, with at least ten (10) years of that service credit completed immediately preceding the participant's retirement.

(e) The state shall make available a group health insurance program to each former member of the general assembly or surviving spouse of each former member, if the former member:

- (1) is no longer a member of the general assembly;
- (2) is not eligible for Medicare coverage as prescribed by 42 U.S.C. 1395 et seq. or, in the case of a surviving spouse, the surviving spouse is not eligible for Medicare coverage as prescribed by 42 U.S.C. 1395 et seq.; and
- (3) has at least ten (10) years of service credit as a member in the general assembly.

A former member or surviving spouse of a former member who obtains insurance under this section is responsible for paying both the employer and the employee share of the cost of the coverage.

(f) The group health insurance program required under subsections (b) through (e) and subsection (k) must be equal to that offered active employees. The retired employee may participate in the group health insurance program if the retired employee pays an amount equal to the employer's and the employee's premium for the group health insurance for an active employee and if the retired employee within ninety (90) days after the employee's retirement date files a written request for insurance coverage with the employer. ~~However,~~ **Except as provided in subsection (l),** the employer may elect to pay any part of the retired employee's premium with respect to insurance coverage under this chapter.

covered under the health insurance program at the time the employee retires. If a retired employee's spouse pays the amount the retired employee would have been required to pay for coverage selected by the spouse, the spouse's subsequent eligibility to continue insurance under this section is not affected by the death of the retired employee. The surviving spouse's eligibility ends on the earliest of the following:

- (1) When the spouse becomes eligible for Medicare coverage as prescribed by 42 U.S.C. 1395 et seq.
- (2) When the employer terminates the health insurance program.
- (3) Two (2) years after the date of the employee's death.
- (4) The date of the spouse's remarriage.

(h) This subsection does not apply to an employee who is entitled to group insurance coverage under IC 20-28-10-2(b). An employee who is on leave without pay is entitled to participate for ninety (90) days in any health insurance program maintained by the employer for active employees if the employee pays an amount equal to the total of the employer's and the employee's premiums for the insurance.

(i) An employer may provide group health insurance for retired employees or their spouses not covered by this section and may provide group health insurance that contains provisions more favorable to retired employees and their spouses than required by this section. A public employer may provide group health insurance to an employee who is on leave without pay for a longer period than required by subsection (h).

(j) An employer may elect to permit former employees and their spouses, including surviving spouses, to continue to participate in a group health insurance program under this chapter after the former employee (who is otherwise qualified under this chapter to participate in a group insurance program) or spouse has become eligible for Medicare coverage as prescribed by 42 U.S.C. 1395 et seq. An employer who makes an election under this section may require a person who continues coverage under this subsection to participate in a retiree health benefit plan developed under section 8.3 of this chapter.
